BIG BOOST FOR PAW PAW

Continued from Page 1.

Thayer grove on the west side of the lake. These parties are not interested in the above mentioned company, but their property will be cleaned up, platted and offered for sale the same as that owned by the company.

A large sum will be expended in advertising, both here and away, and every effort will be made to sell lots and get people to build around the lake.

The rooms over the E. Smith & Co. store are being fitted up and made ready for the offices of the company.

Maple lake is one of the most beautiful sheets of water to be found anywhere. The lands surrounding the same will make desirable building places, and the lake is a veritable fisherman's paradise. It is located right on the edge of one of the finest villages in Michigan and in time will undoubtedly become one of the great resort lakes of the state.

Many people from away have been attracted by the beauty of the lake and its delightful surroundings. The proposition is now in shape where they can procure desirable lots on which to build summer homes. It is also anticipated that many local people will avail themselves of the opportunity of having a summer cottage on the lake.

The men who are behind this deal are Paw Paw's foremost business men. They are men who have the welfare of Paw Paw at heart and whatever they take hold of is pushed to a successful culmination. They are all "boosters," and there is no question as to the ultimate outcome of the gigantic proposition.

AUTOMOBILE WENT INTO THE DITCH

H. M. Olney and Crowd Had Near Accident on Way to Bangor Sunday Night.

The automobile party that started from Hartford to Bangor last Sunday evening to conduct a local option meeting had a narrow escape from a bad wreck.

The party, consisting of H. M. Olney, Don Cochrane and E. B. Bennett of Hartford and County Clerk Mosier of Paw Paw, started in Mr. Olney's new E. M. F. car. Manny Oppenheim acted in the capacity of chauffeur. All went well until about half way to their destination, when in attempting to turn out to avoid a bad water hole in the road, the machine skidded into the ditch. It was a miracle that the machine did not tip over, as it turned clear up on its side. Mr. Mosier got a neighbor to take him to Bangor to start the meeting, and Mr. Olney and party got a span of horses to get the machine back in the road, when they proceeded on their journey, arriving in Bangor in time to close the meeting.

This local option campaign is getting mighty strenuous, and there are many who will be glad when it is all over and the votes are counted.
